

Fill in the gaps

There's a still in the (1) outside your window	Lay your (13) down
You're keeping secrets on your pillow	Lay your body down
Let me inside, no cause for alarm	Lay your body down
I promise (2) not to do no harm	Lay (14) body down
I promise you baby, I won't be no harm	Lay your body down
And we're caught up in the crossfire	Lay your body down
Of heaven in hell	Tell the devil that he can go (15) from where he
And we're searching for shelter	came
Lay your body down	His fiery (16) (17)
Lay (3) (4) down	(18) bead in vain
Lay your body down	And (19) the (20) part is over
Watching your dress as you turn down the light	we'll be here
I (5) all about the storm outside	And our dreams (21) break the boundaries of our
Dark clouds (6) (7) way	fears
(8) town	Boundaries of our fears
Heartache and (9) came (10)	Lay your body down
down like	Lay your body down
Chaos in the rain, yeah	Lay (22) down
They're handing it out	Lay (24) body down
And we're (11) up in the crossfire	Lay your body down
Of (12) and hell	Lay your body down
And we're searching for shelter	Next to mine
