## Fill in the gaps

He went to sea for the day
He wanted to know what to say
When he's (1) what he'd done
In the (2) to someone
That he loves endlessly
Now she's gone, so is he
I (3) to war every morning
I (4) my way but now I'm following
What you said in my arms
What I read in the charms
That I love durably
Now it's dead and gone and I am free
I (5) to sleep for the daytime
I shut my eyes to the sunshine
Turned my (6) away from the noise
Bruise and (7) (8) of (9) toys
That I (10) arguably
All our labouring gone to seed
We went out to play for the evening
We wanted to hold on to the feeling
And the stretch in the sun
And our breathlessness as we run
To the beach endlessly

As the sun creeps up on the sea
