Sumthin' Wicked This Way Comes by TLC ft. Andre 3000

Remember back in the time
When the only sign we had was pickets?
But now in '94, it be this way
Something come wicked
Gangs killing others fo' colors
Thangs that we wear fo' fashion
Other brothers take it fo' what reason?
To be blasting
What da kcuif is going on?
Not soft like buttercups but
Had enough of singin' that same song
See, I (1)_____ across the street from the projects
Took out yo' momma trash and groceries
To her trunk
To keep my pockets fat, like cellulite
Only been to jail one week fo' some shull-bit
And I pray to God I won't repeat
I shoulda (2)_____ it when I had the chance to
No, I shouldn't a did that, cuz if I did that?
Y'all would not (3)_____ that phat shit
That keeps you on yo' tippy-toes
Like that fella, not calling no names
But really "who's bad?"
I go through obstacles (4)_____ a whole box of condoms
You can't forget what you come from
Take a good look in the mirror
And (5)_____ me, do you like what you see
Masters of deception, corruption and evil
But you're always quick to point the finger at me
Won't somebody tell me
I just don't understand
The ways of the world today
Sometimes I feel like
There's nothing to live for
So I'm longing for the days of yesterday
What gave you the right to misjudge me
And write me off on the wall
Acting as if you understand me
In reality, you just don't know me at all

Sometimes I can't help but wonder
If this was how it's meant to be
But if you search deep enough in your soul
You'll always find a slight reminder of me
Won't somebody tell me
I just don't understand
The ways of the world today
Sometimes I feel like
There's (6)_____ to live for
So I'm longing for the days of yesterday
A-yo, if we (7)_____ all agree
To letting our souls become free
Of that (8)_____ bitterness
Then who's chest would have the most seeds?
I keep misfocusing my needs
And distress on my back with them cats
They be blasting into my knapsack
Ain't no accidental deathtraps
My mishap is the fact that I'm destined to snap
It's (9)_____ I feel as though my body's able to go
My mind is ready to flow, didn't you know?
First you catch and then I throw
It's own sense of time
If I'm late, it's 'cuz I'm ending my day
Just when the sun shines
And still gently advising the arising of the moon
As it rolls around into my soundproof dimension
I just don't understand
The ways of the world today
Sometimes I feel like
There's nothing to (10)_____ for
So I'm longing for the days of yesterday
I just don't understand
The ways of the world today
Sometimes I feel like
There's nothing to live for
So I'm longing for the days of yesterday
