In reality, you just don't know me at all

Fill in the gaps

Sumthin' Wicked This Way Comes by TLC ft. Andre 3000

Remember back in the time	Sometimes I can't help but wonder
When the only sign we had was pickets?	If this was how it's meant to be
But now in '94, it be this way	But if you search deep enough in your soul
Something come wicked	You'll always find a slight reminder of me
Gangs killing others fo' colors	Won't somebody tell me
Thangs (1) we wear fo' fashion	I just don't understand
Other brothers take it fo' what reason?	The ways of the world today
To be blasting	Sometimes I (15) like
What da kcuf is going on?	There's nothing to (16) for
Not soft like buttercups but	So I'm longing for the days of yesterday
Had enough of singin' (2) same song	A-yo, if we could all agree
See, I stayed across the street (3) the projects	To letting our souls (17) free
Took out yo' (4) trash and groceries	Of (18) sweet bitterness
To her trunk	Then who's chest would have the most seeds?
To keep my pockets fat, like cellulite	I keep (19) my needs
Only (5) to jail one week fo' some shull-bit	And distress on my back with (20) cats
And I (6) to God I won't repeat	They be blasting into my knapsack
(7) pulled it when I had the chance to	Ain't no (21) deathtraps
No, I shouldn't a did that, cuz if I did that?	My mishap is the fact that I'm (22) to
Y'all would not hear (8) phat shit	snap
That (9) you on yo' tippy-toes	It's when I feel as though my body's able to go
Like that fella, not calling no names	My mind is ready to flow, didn't you know?
But really "who's bad?"	First you catch and then I throw
go through obstacles (10) a whole box of	It's my own sense of time
condoms	If I'm late, it's 'cuz I'm ending my day
You can't forget what you come from	Just (23) the sun shines
Take a good look in the mirror	And still gently advising the arising of the moon
And tell me, do you like what you see	As it rolls around into my soundproof dimension
Masters of deception, corruption and evil	I just don't understand
But you're always quick to (11) the finger at me	The ways of the world today
Non't somebody tell me	Sometimes I feel like
just don't understand	There's nothing to (24) for
The ways of the world today	So I'm longing for the (25) of yesterday
Sometimes I (12) like	I just don't understand
There's nothing to live for	The ways of the (26) today
So I'm longing for the (13) of yesterday	Sometimes I feel like
What (14) you the right to misjudge me	There's nothing to live for
And write me off on the wall	So I'm (27) for the days of yesterday
Acting as if you understand me
