

Fill in the gaps

I don't know what i'm doing here	YOU KNOW IT
How I landed in (1) space	Don't make it wait
But it's a good place	These are words I wanna say
And I don't wanna mess it up	Every hour of every day
Make mistakes or say too much	These are words that say how good it feels
Cause it's a good place	To be here with you today
You find it	I hope it's not too late
You hold it	'Cause I don't wanna (6) another summer
You feel its grace	I don't wanna wait until I fall
These are words I wanna say	I could be a memory tomorrow
Every hour of every day	I could be (7) at all
These are (2) that say how good it feels	I don't know (8) I'm doing here
To be here (3) you today	How I landed in this space
I hope it's not too late (I hope it's not too late)	But it's a good place
I (4) it's not too late	These are words I wanna say
I've been silent up to now	Every hour of every day
I've been going with the flow	These are words (9) say how good it feels
Wherever that goes	To be here with you today
But something's screaming down inside	I hope it's not too late
Makes me want to close my eyes	Oh, yeah
And (5) the echo	I hope it's not too late
You find it
