

Fill in the gaps

I don't know what I'm doing here	You know it
How I landed in this space	Don't make it wait
But it's a (1) place	These are words I (14) say
And I don't wanna mess it up	Every hour of (15) day
Make (2) or say too much	These are (16) that say how good it feels
'Cause it's a (3) place	To be (17) (18) you today
You (4) it	I (19) it's not too late
You (5) it	'Cause I don't wanna waste another summer
You (6) its grace	I don't wanna (20) (21) I fall
These are (7) I wanna say	I could be a memory tomorrow
Every hour of every day	I (22) be nothing at all
These are words that say how good it feels	I don't know what I'm doing here
To be here (8) you today	How I landed in this space
I hope it's not too late (I (9) it's not too late)	But it's a good place
I hope it's not too late	These are words I (23) say
I've been silent up to now	Every hour of (24) day
I've been going with the flow	These are words that say how good it feels
Wherever (10) goes	To be here (25) you today
But something's (11) (12)	I (26) it's not too late
inside	Oh, yeah
Makes me want to close my eyes	I hope it's not too (27)
And hear the echo	
You (13) it
