Stillness Is The Move by Dirty Projectors

When the (1) was (2) a child	I can't imagine (16) better
t did not know (3) it was	After all that we've been through
Like a child it had no habits	I know we'll make it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is (17) we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe waiting tables in a diner	Isn't life under the sun (18) a crazy, crazy, crazy
n some (4) city down the highway	dream?
After all (5) we've been through	Isn't life (19) a (20) of the world
(6) we'll make it after the wait	(21) the world
The (7) is a truth	Before the world?
There is nothing we can't do	Why am I here and not over, over, (22) there?
'll see you along the way baby	Where did time begin
The (8) is the move	Where does space end
On top of every mountain	Where do you and I (23) you and I begin?
There was a great longing	After all that we've (24) through
For (9) even higher mountain	I know we'll make it after the wait
n each city longing for a (10) city	The question is a truth
After all that we've been through	There is nothing we can't do
(11) (12) I (13) always	I'll see you (25) the way baby
(14) you	The stillness is the move
From now until (15) haby
