

You are the one

## Fill in the gaps

All I ever wanted	You're in my eyes
Was to see you smiling	All I ever wanted in my life
I (1) that I (2) you	All I ever wanted
Oh baby, why don't you see?	Was to see you smiling
All I ever wanted	All I ever wanted
Was to see you smiling	Was to make you mine
All I ever wanted	I know that I love you
Was to make you mine	Oh baby, why don't you see?
l (3) (4) l (5) you	That all I ever wanted
Oh baby, why don't you see?	Was you and me
That all I ever wanted	All I ever wanted
Was you and me	Was to see you smiling
All I (6) wanted	All I ever wanted
Was to see you smiling	Was to make you mine
All I ever wanted	I know that I love you
Was to make you mine	Oh baby, why don't you see?
I (7) that I (8) you	That all I ever wanted
Oh baby, why don't you see?	Was you and me
That all I ever wanted	All I (12) wanted
Was you and me	Was to see you smiling
I'm so alone	All I (13) wanted
Here on my own	Was to make you mine
And I'm (9) for you to come	I (14) (15) I (16) you
I want to be	Oh baby, why don't you see?
A part of you	That all I ever wanted
Think of all the things we could do	Was you and me
And everyday	All I ever wanted
You're in my head	
I (10) to (11) you in my bed
