A Gunshot To Head Of Trepidation by Trivium

You starve your children on neglect
Then feed their bellies with fear
Concussion bat to the brain
Witness to a battered mother
Your (1)_____ will end right here
No longer will your family fear
A (2)_____ to head of trepidation
My promise if you ever lay a finger
Just look at the scars you make
Your terror makes your kids break
A (3)_____ home just as you were raised
With fist raised up to your children
Your (4)_____ will end right here
No longer (5)_____ your family fear
A gunshot to head of trepidation
My promise if you (6)_____ lay a finger
You wretched life wrecker

Abuser
Now suffer
Open fire
On the desire of the man
Open fire
With (7)_____ we'll strike (8)_____ the hand
(open fire...)
If I can't make you see the damage you've made (open fire...)
