A Gunshot To Head Of Trepidation by Trivium

You starve your children on neglet	Abuser
Then feed their bellies (1) fear	Now suffer
Concussion bat to the brain	Open fire
Witness to a battered mother	On the desire of the man
Your (2) (3) end right here	Open fire
No longer will your (4) fear	With strife we'll strike down the hand (open fire)
A gunshot to head of trepidation	If I can't make you see the damage you've made (open fire)
My promise if you ever lay a finger	I'll make you wish you'd never been alive
Just look at the scars you make	
Your terror (5) kids break	Open fire
A broken (7) just as you were raised	On the desire of the man
With (8) raised up to (9) children	Open fire
Your abuse will end right here	With strife we'll strike down the hand
No longer will your (10) fear	
A gunshot to head of trepidation	
My promise if you ever lay a finger
