A Gunshot To Head Of Trepidation by Trivium

You starve your children on neglect

Then feed their bellies with fear

Concussion bat to the brain

Witness to a battered mother

Your (1)_____ will end right here

No longer will your family fear

A gunshot to head of trepidation

My promise if you ever lay a finger

Just look at the scars you make

Your terror makes (2)_____ (3)_____ break

A broken home (4)_____ as you were raised

With fist raised up to your children

Your abuse (5)_____ end right here

No longer (6)_____ your family fear

A gunshot to head of trepidation

My promise if you ever lay a finger

You wretched life wrecker

Abuser

Now suffer

Open fire

On the desire of the man

Open fire

With strife we'll strike down the hand (open fire...)

If I can't make you see the damage you've made (open fire...)

I'll make you wish you'd never been alive
