

## Fill in the gaps

## Here We Go Again by Demi Lovato

I throw all of (1) (2) away	Should (14) (15) better
Then I clear you out of my head	In (16) to let you go
I tear you out of my heart	Cause here we go go go again
And ignore all your messages	Hard as I try I know I can't quit
I (3) everyone we are through	Something (17) you is so addictive
Cause I'm so much better without you	We're (18) together
But it's just (4) pretty lie	You'd think that by now I'd know
Cause I break down	Cause here we go go go again
Every time you come around	And again, and again, and again, and again, and again
So how did you get here (5) my skin?	I threw all of your (19) away
I swore that I'd never let you back in	And I cleared you out of my head
Should have known better	And I tore you out of my heart
In trying to let you go	So how did you get here under my skin?
Cause here we go go go again	I swore that I'd (20) let you back in
Hard as I try I know I can't quit	Should have known better
Something about you is so addictive	In trying to let you go
We're (6) together	Cause here we go go go again
You'd think that by now I'd know	Hard as I try I (21) I can't quit
Cause here we go go go again	Something about you is so addictive
You (7) know (8) you want	We're falling together
And you never say (9) you mean	You'd think that by now I'd know
But I start to go insane	Cause here we go go here we go again
Every time (10) you (11) at me	Here we go again
You only hear (12) of what I say	Should have known better
And you're always showing up too late	In trying to let you go
And I know that I should say goodbye	Cause (22) we go go go again
But it's no use	
Can't be with or without you	
So how did you get here under my skin?	
I swore that I'd (13) let you back in
