## Fill in the gaps

And things you'll never need
The (1) in you room at night
And (2) that never fold
You're (3) that it matters more
But who would ever tell
I know you need to stay above
But I swore
I swore
I swore
It's all over (4) eyes
There's nothning you can do
I'm coming out my skin tonight
So tell me if you're ready or no
I'm tired of living out a lie
Sitting here watching (5) flying by me
And maybe maybe
You're gonna save me
Maybe maybe
But I don't know

I don't think so
Last (6) I woke up cold
And I walked right out (7) the dark
And 800 reasons why (8) flying into my eye
Wish I could say that I killed 'em dead
But they're just much bigger than I
It's all over (9) eyes
There's (10) you can do
I'm coming out my skin tonight
So tell me if you're ready or no
I'm tired of living out a lie
Sitting here watching things flying by me
And maybe maybe
You're gonna save me
Maybe maybe
But I don't know
I don't think so
