

Fill in the gaps

No One's Gonna Love You by Band Of Horses

It's looking like a limb (1) off	Hard
Or altogether just (2) apart	Anything to make you smile
We're (3) (4) an	You are the ever-living ghost of (19) once was
(5) fall	I never want to hear you say
We are the ever-living ghost of what once was	That you'd be better off
But no one is ever gonna (6) you more than I do	Or you liked it (20) way
No one's gonna (7) you more than I do	But no one is ever (21) love you more than I do
And anything to (8) you smile	No one's gonna love you (22) than I do
It is my better side of you to admire	But someone
But (9) (10) never take so long	They should have warned you
Just to be over then back to another one	When things (23) splitting at the seams and now
But no one is ever gonna love you more than I do	The whole thing's tumbling down
No one's gonna (11) you more than I do	Things (24) splitting at the seams and now
But someone	If things start (25) at the
They (12) have (13) you	(26) and now
When things start (14) at the seams	It's tumbling down
and now	Hard
The whole thing's (15) down	
Things (16) splitting at the seams and now	
If things start splitting at the (17) and now	
It's (18) down
