

## Fill in the gaps

Please come now I think I'm falling	I'm six feet from the edge and I'm thinkin'
I'm holding on to all I think is safe	Maybe six feet
It seems I found the road to nowhere	Ain't so far down
And I'm trying to escape	I'm so far down
I (1) back when I (2) thunder	Sad eyes follow me
But I'm down to one last breath	But I still believe there's (9) left for me
And with it let me say, let me say	So (10) come (11) (12)
Hold me now	me
I'm six feet from the edge and I'm thinkin'	'Cause I still believe there's (13) left
Maybe six feet	for you and me
ain't so far down	For you and me
I'm looking down now (3) it's over	For you and me
Reflecting on all of my mistakes	Hold me now
I (4) I (5) the (6) to	I'm six feet from the edge and I'm thinkin'
somewhere	Hold me now
Somewhere in His grace	I'm six feet (14) the (15) and I'm thinkin'
I cried out, "Heaven save me"	Maybe six feet
But I'm down to one (7) breath	Ain't so far down
And (8) it let me say, let me say	Hold me now
Hold me now	I'm six (16) from the (17) and I'm
I'm six feet from the edge and I'm thinkin'	thinkin'
Maybe six feet	Maybe six feet
Ain't so far down	Ain't so far down
Hold me now	Please come now I think I'm falling
	I'm (18) on to what I think is safe
