

Fill in the gaps

Please come now I think I'm falling	I'm six feet from the edge and I'm thinkin'
I'm holding on to all I think is safe	Maybe six feet
It seems I found the (1) to nowhere	Ain't so far down
And I'm trying to escape	I'm so far down
I yelled back when I heard thunder	Sad eyes follow me
But I'm down to one last breath	But I still believe there's something left for me
And with it let me say, let me say	So please (7) stay with me
Hold me now	'Cause I still believe there's something left for you and me
I'm six feet (2) the (3) and I'm thinkin'	For you and me
Maybe six feet	For you and me
ain't so far down	Hold me now
I'm looking down now that it's over	I'm six feet from the edge and I'm thinkin'
Reflecting on all of my mistakes	Hold me now
I thought I found the road to somewhere	I'm six feet from the edge and I'm thinkin'
Somewhere in His grace	Maybe six feet
I cried out, "Heaven (4) me"	Ain't so far down
But I'm down to one last breath	Hold me now
And with it let me say, let me say	I'm six feet from the edge and I'm thinkin'
Hold me now	Maybe six feet
I'm six (5) (6) the edge and I'm thinkin'	Ain't so far down
Maybe six feet	Please come now I (8) I'm falling
Ain't so far down	I'm (9) on to what I think is (10)
