

To break like time

## Fill in the gaps

Don't taint this ground	So (6) on the inside
With the color of the past	You climb these grapevines
Are the sounds in bloom with you	Would you look now
Cause you seem like	Unto (7) pit of me on the ground
An orchard of mines	And you (8) through these
Just (1) one (2) at a time	To climb these grapevines
And you seem	To know
To break like time	To feel
So (3) on the inside	To play me once again
You climb these grapevines	Do you denote from what we feel
Would you look now	Do you not know
Unto this pit of me on the ground	I see you play the game
And you wander through these	Do you denote
To climb these grapevines	(La (9) riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't have my (4) (5) upside down	To feel
Says the man with some	To play me once again
With some gold forged plan	Do you denote
Of life so incomplete	Do you not know
Like weights strapped around my feet	I see you (10) the game
Tread careful one step at a time	Denote
And you seem
