

## Fill in the gaps

Don't (1) this ground	So (15) on the inside
With the color of the past	You climb (16) grapevines
Are the sounds in bloom with you	Would you (17) now
Cause you seem like	Unto (18) pit of me on the ground
An (2) of mines	And you (19) through these
Just (3) one (4) at a time	To climb these grapevines
And you seem	To know
To (5) like time	To feel
So fragile on the inside	To (20) me once again
You climb these grapevines	Do you (21) from what we feel
Would you look now	Do you not know
Unto this pit of me on the ground	I see you (22) the game
And you (6) through these	Do you denote
To climb these grapevines	(La (23) riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't (7) my (8) (9)	To feel
(10) down	To (24) me (25) again
Says the man with some	Do you denote
With (11) (12) forged plan	Do you not know
Of life so incomplete	I see you play the game
Like weights strapped around my feet	Denote
Tread (13) one step at a time	
And you seem	
To (14) like time
