

## Fill in the gaps

This is my life	And now (10) (11) here
Its not what it was before	So far away
All (1) feelings I've shared	All the struggle we thought was in vain
And (2) are my dreams	And all mistakes one life contains
That I've (3) lived before	They all (12) start to go away
Somebody shake me	And now that were here
Cause I, I must be sleeping	So far away
And now that we're here,	And I feel (13) I can face the day
So far away	I can forgive, and (14) not ashamed to be the
All the struggle we (4) was in vain	person (15) I am today
And all the mistakes,	I'm so afraid of waking
One (5) contained	Please don't shake me
They all finally start to go away	Afraid of waking
And now (6) we're here its so far away	Please dont shake me
And I feel like I can face the day	And now that were here
I can forgive, and (7) not ashamed to be the	So far away
person that I am today	All the struggle we thought was in vain
These are my words	And all the (16) one (17)
That I've never said before	contains
I think I'm doing ok	They all finally start to go away
And (8) is the smile	And now that (18) here
That I've never shown before	So far away
Somebody shake me	And I (19) I can face the day
Cause I, I (9) be sleeping	I can forgive, and I'm not ashamed to be the person
	(21) I am today
