

## Fill in the gaps

| This is my life                              | And now that were here   |
|--|--|
| Its not what it was before                   | So far away  |
| All these (1) I've shared                    | All the struggle we thought was in vain                              |
| And these are my dreams                      | And all mistakes one (7) contains                                    |
| That I've never lived before                 | They all finally start to go away                                    |
| Somebody shake me                            | And now that were here   |
| Cause I, I must be sleeping                  | So far away  |
| And now that we're here,                     | And I feel like I can face the day                                   |
| So far away                                  | I can forgive, and I'm not a<br>shamed to be the person that I am    |
| All the struggle we thought was in vain      | today  |
| And all the mistakes,                        | I'm so afraid of waking  |
| One life contained                           | Please don't shake me  |
| They all finally start to go away            | Afraid of waking   |
| And now that we're (2) its so far away       | Please dont shake me   |
| And I feel like I can face the day           | And now (8) were here  |
| I can forgive, and I'm not ashamed to be the | So far away  |
| (3) that I am today                          | All the struggle we thought was in vain                              |
| These are my words                           | And all the mistakes one life contains                               |
| That I've never said before                  | They all finally start to go away                                    |
| I think I'm doing ok                         | And now that were here   |
| And this is the smile                        | So far away  |
| That (4) never (5) before                    | And I (9) like I can (10) the day                                    |
| Somebody (6) me                              | I can forgive, and I'm not a<br>shamed to be the person that I am $$ |
| Cause I, I must be sleeping                  | today  |
