| The (1) go out and I can't be saved  | You are                        |
|--------------------------------------|--------------------------------|
| Tides (2) I tried to swim against    | You are                        |
| Have brought me (3) (4) my knees     | You are                        |
| (Oh) I beg, I beg and plead singing  | You are                        |
| Come out of things unsaid            | You are                        |
| Shoot an apple off my head           | You are                        |
| And a (5) (6) can't be named         | And nothing else compares      |
| A tiger's (7) to be (8) singing      | And nothing else compares      |
| You are                              | And nothing (16) compares      |
| You are                              | You are                        |
| Confusion never stops                | You are                        |
| Closing (9) and ticking clocks       | Home, home where I (17) to go  |
| Gonna come back and (10) you home    | Home, (18) (19) I wanted to go |
| I (11) not stop (12) you now         | Home, (20) (21) I wanted to go |
| (13) singing                         | Home, (22) (23) I wanted to go |
| Come out upon my seas                |                                |
| Cursed (14) opportunities            |                                |
| Am I a part of the cure?             |                                |
| Or am I (15) of the disease? Singing |                                |
