

Fill in the gaps

I'm getting tired of asking	And try to make things right
Is (1) the (2) time	Cause I'll be (17) for a fight
So did I (3) you happy?	(Yeah)
Cause you cried an ocean	I (18) wanted everything to end this way
Theres a thousand lies	Take and take the blue sky and turn it grey
About the way you smile	I swore to you that I would do my best to change
Written in my mind	You said it don't matter
But every single (4) a lie	I'm (19) at you from (20)
I never wanted everything to end (5) way	point of view
Take and take the (6) sky and turn it grey	Don't know how the hell I (21) in love with you
I (7) to you that i (8) do my best to	I would never wish anyone to feel the way
change	I do
You (9) it don't matter	I never wanted everything to end this way
I'm (10) at you from (11)	Take and take the (22) sky and turn it grey
point of view	I swore to you (23) I would do my best to change
Don't know how the (12) I'm in love with you	You said it don't matter
I (13) never (14) (15)	I'm looking at you from another point of view
to feel the way	Don't know how the hell I fell in love with you
I do	I would never wish anyone to (24) the way
Is this a sound from heaven	I do
Showing me the light	
Was this supposed to happen	
I'm better off without you	
So you can leave tonight	
Don't you (16) come back
