So did I make you happy?	(Yeah)
Cause you cried an ocean	I never wanted everything to end (6) way
Theres a (1) lies	Take and take the blue sky and turn it grey
About the way you smile	I swore to you that I would do my best to change
Written in my mind	You said it don't matter
But every single words a lie	I'm looking at you from another point of view
never wanted everything to end this way	Don't know how the hell I fell in love with you
Take and take the blue sky and turn it grey	I (7) never wish anyone to (8) the
swore to you that i would do my best to change	way
You (2) it don't matter	I do
'm looking at you from (3) point of view	I never (9) everything to end this way
Don't know how the hell I'm in love with you	Take and take the blue sky and turn it grey
would never wish anyone to feel the way	I swore to you that I would do my best to change
do	You said it don't matter
s this a sound from heaven	I'm looking at you from another point of view
Showing me the light	Don't know how the hell I fell in love with you
Was (4) supposed to happen	I would never wish (10) to feel the way
'm better off without you	I do
So you can leave tonight	
Don't you dare come back
