

Still Alive by Lisa Miskovsky

I have changed	And blue sky
I have changed	That's just how it goes
Just (1)_____ you	For living here
Just (2)_____ you	Come fire
For how long	Come fire
For how long	Let it burn and love (4)_____ racing through
Must I wait	(Oh) I'm still alive
I know there's something wrong	I'm still alive
Your concrete heart isn't beating	I can't (5)_____ no
And you tried to	(Oh) I'm still alive
Make it come alive	I'm (6)_____ alive
No shadows	I can't apologise no
Just red lights	I learn to lose
Now I'm here to rescue you	I learn to win
(Oh) I'm still alive	I turn my (7)_____ against the wind
I'm still alive	I will move fast
I can't apologise, no	I will move slow
(Oh) I'm still alive	Take me where I have to go
I'm still alive	(Oh) I'm still alive
I can't apologise, no	I'm still alive
So silent	I can't apologise no
No violence	I'm still alive
But (3)_____ my head	(Oh) I'm still alive
So loud and clear	I'm still alive
You're screaming	I can't apologise no
You're screaming	...
Cover up with a smile I've learned to fear	
Just sunshine
