

Fill in the gaps

My Friends Over You by New Found Glory

I'm (1)_____ off your kiss
For another night in a row
This is becoming too routine for me
But I did not mean to lead you on
And it's all right to pretend
That we still talk
It's (2)_____ for show, (3)_____ it
It's my (4)_____ that it fell apart
Just maybe
You (5)_____ this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish (6)_____ I've started
There's no room left (7)_____ on my back
It was damaged (8)_____ ago
Though you swear that you are true
I still pick my friends over you
My friends (9)_____ you
Please tell me everything
That you (10)_____ that I should know
About all the (11)_____ you made
When I was nowhere to be found
And it's all right to forget
That we still talk
It's just for fun, isn't it
It's my fault that it fell apart
Just maybe you need this

And I (12)_____ mean to
Lead you on
You were everything I wanted
But I just can't (13)_____ what I've started
There's no room (14)_____ here on my back
It was damaged (15)_____ ago
Though you swear that you are true
I still (16)_____ my friends (17)_____ you
My (18)_____ over you
Just maybe you need this
You need this...
And I (19)_____ mean to
Lead you on
You were (20)_____ I wanted
But I just can't finish what I've started
There's no room (21)_____ here on my back
It was damaged (22)_____ ago
Though you swear (23)_____ you are true
I still pick my friends over...
You were everything I wanted
But I just can't (24)_____ (25)_____ I've
started
There's no (26)_____ left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
My friends over you
