Digging The Grave by Faith No More

It would be (1) to ask you why		And the feeling goes away	
Because I know what goes inside		When you close the door	
Is only half of (2) (3) o	out	Comfortable	
Isn't that what it's about, it's about?		Digging the grave, I got it made	
To remind us we're alive		Let something in, or something out?	
To remind us we're not blind		You left the door open wide	
In that big, black hole		Digging the grave, I got it made	
Comfortable		Comfortable	
Digging the grave, I got it made		Digging the grave, I got it made	
Let something in, or (4)	out?	Let something in, or something out?	
You left the (5) (6) wide		You (9)	the door open wide
I know you have a reason why		And it's out of this world, comfortable	
That knot is better left untied		Out of this world, comfortable	
I (7) (8) and undid mine		Out of (10)	world, comfortable
It takes some time		Out of this world, comfortable	
And the shadows so big
