Fill in the gaps

Could Have Danced All Night by Angela Gheorghiu

Bed bed I couldn't go to bed
My head's too light to try to set it down
Sleep sleep
I couldn't go to sleep
Not for all the jewels in the crown
I (1) (2) danced all night
I could have danced all night
And still have (3) for more
I could have (4) my wings
And done a thousand things I've never done before
I'll never know what made it so exciting
Why all at once my heart took flight
I only know when he
Began to dance with me I (5) have danced
Danced danced all night
I could have danced all night
I (6) have danced all night
And still have begged for more
I could have (7) my wings
And done a thousand things I've never done before
I'll (8) know what made it so exciting
Why all at once my heart took flight
I only know when he
Began to dance with me I (9) (10) danced
