

## Fill in the gaps

Despair to the (1) where they provoke	when did (17) (18) replace the twist
The punchline before (2) have told the joke	and turn?
The sheer desperation to be seen	Like the fist replace the kiss-on concern
Staring at the television screen	And if you're bothered
Despair up to the point where (3) provoke	I don't want your prayers
You to tell the fucking punchline before you (4) told	Save it for the (19) after
the joke	And it's the thousandth (20) that it's even bolder
But sorry, sunshine, it doesn't exist	Don't be (21) when you get bent over
It wasn't in the top 100 list	They told ya
And it's the (5) time that it's even	But you were gagging for it
bolder	Let's have a game on the (22) Picker
Don't be surprised (6) you get bent over	Not (23) enough can i have it quicker?
They told you	Already thick, can you get in thicker
But you (7) gagging for it	Let's have a game on the (24) Picker
She saw it and she grabbed it and it wasn't what it seemed	Not quick enough can i have it quicker?
The (8) all (9) of making it,	Already thick, can you get in thicker
(10) means	'Cos you meant (25) all (26) are
Another variation on a theme	equal
A (12) on the television and the magazine	Who'd want to be men of the people
D'you reckon that they do it for a joke?	When there's people like you
D'you (13) that they make them take an oath	
That (14) We are defenders	
Of any poseur or (15)	
(16) around
