

We're not unreasonable

I mean, no one's gonna eat your eyes

## Fill in the gaps

Heya Tom, it's Bob from the office down the hall	All we want to do is eat your brains
Good to see you buddy, how've you been?	We're at an impasse here
Thing have been OK for me	Maybe we should compromise
Except that I'm a zombie now	If you open up the doors
really wish you'd let us in	We'll all come inside and eat your brains
think I speak for all of us when I say I understand	I'd like to help you Tom
Why you folks might hesitate to submit to our demand	In any way I can
But here's an FYI	I sure (4) the way you're working
you're all (1) die screaming	with me
All we want to do is eat your brains	I'm not a (5) Tom
We're not unreasonable	Well, technically I am
mean, no one's gonna eat (2) eyes	I guess I am
All we want to do is eat your brains	I've got another meeting Tom
We're at an impasse here	Maybe we could wrap it up
Maybe we should compromise	I know we'll get to common (6) somehow
f you open up the doors	Meanwhile I'll report back to my colleagues
We'll all come inside and eat your brains	Who (7) chewing on the doors
don't want to nitpick, Tom	I guess we'll table this for now
But is this really your plan?	I'm glad to see you take constructive criticism well
To spend your (3) life locked inside a mall?	Thank you for (8) time
Maybe that's OK for now	I know we're all busy as hell
But someday you'll be out of food and guns	And we'll put this thing to bed
And then you'll have to make the call	When I bash your head open
'm not surprised to see	All we want to do is eat your brains
You haven't thought it through enough	We're not unreasonable
You never had the head for all that	I mean, no one's (9) eat your eyes
Bigger picture stuff	All we want to do is eat your brains
But Tom, that's what I do	We're at an impasse here
And I plan on eating you slowly	Maybe we should compromise
All we want to do is eat your brains	If you open up the doors

We'll all come inside and eat your brains
