

I mean, no one's gonna eat (3)_____ eyes

Fill in the gaps

Heya Tom, it's Bob from the (1) down the hall	All we want to do is eat your brains
Good to see you buddy, how've you been?	We're at an impasse here
Thing have been OK for me	Maybe we should compromise
Except that I'm a zombie now	If you open up the doors
I really wish you'd let us in	We'll all come inside and eat your brains
I think I speak for all of us when I say I understand	I'd like to (4) you Tom
Why you folks might hesitate to submit to our demand	In any way I can
But here's an FYI	I sure appreciate the way you're working with me
you're all gonna die screaming	I'm not a monster Tom
All we want to do is eat your brains	Well, technically I am
We're not unreasonable	I guess I am
I mean, no one's gonna eat your eyes	I've got another meeting Tom
All we want to do is eat your brains	Maybe we (5) wrap it up
We're at an impasse here	I know we'll get to common ground somehow
Maybe we should compromise	Meanwhile I'll report back to my colleagues
If you open up the doors	Who were chewing on the doors
We'll all come inside and eat your brains	I guess we'll table this for now
I don't (2) to nitpick, Tom	I'm (6) to see you take constructive criticism well
But is this really your plan?	Thank you for your time
To spend your whole life locked inside a mall?	I know we're all busy as hell
Maybe that's OK for now	And we'll put this thing to bed
But someday you'll be out of food and guns	When I bash your head open
And then you'll have to make the call	All we want to do is eat (7) brains
I'm not surprised to see	We're not unreasonable
You haven't thought it through enough	I mean, no one's (8) eat your eyes
You never had the head for all that	All we want to do is eat (9) brains
Bigger picture stuff	We're at an impasse here
But Tom, that's what I do	Maybe we should compromise
And I plan on eating you slowly	If you open up the doors
All we want to do is eat your brains	We'll all come inside and eat your brains
We're not unreasonable
