

Fill in the gaps

I don't care	I can't quite believe it anymore
Who does her hair or	What happened to believing
What clothes she wears	That beauty's in the eye of the beholder
I don't (1) if it's YSL	You'll (6) know who you'll meet on your way to
I don't care if it's Chanel	the top
What matters to me is a strong belief	You'll probably see them again
All this beauty is skin deep	When your fame (7) to drop
Don't care about hair, don't care about eyes	Down down, I'll meet you on the ground
It's about what's inside	It's no good with your hair and your shiny blue eyes
You'll never know who you'll meet on your way to the top	It's no good when you finally start to realize
You'll probably see them again	I need something more
When your fame starts to drop	This pretty face don't work no more
Down down, I'll meet you on the ground	You'll never know who you'll meet on your way to the top
It's no (2) with your hair and (3) shiny	You'll probably see them again
olue eyes	When your fame starts to drop
It's no good (4) you finally start to realize	(8) down, I'll meet you on the ground
I need something more	It's no (9) (10) your hair and your shiny
This pretty face, don't work no more	blue eyes
What happened to achieving	It's no good when you finally start to realize
(5) happened to believing in yourself	I need something more
Why listen to the musings of someone, somebody else	This pretty face, don't work no more
I'm sorry I don't see and
