

And the games you'd play

Fill in the gaps

I let it fall, my heart	You would always win, always win
And as it fell you rose to claim it	But I set fire to the rain
It was dark and I was over	Watched it pour as I touched your face
Until you (1) my lips and you saved me	Let it burn while I cry
My hands, they were strong	'Cause I heard it screaming out (4) name
But my knees were far too weak	I set fire to the rain
To (2) in your arms	And I threw us into the flames
Without falling to your feet	I felt (5) die
But there's a side to you	'Cause I (6) that that was the last time
That I never knew, never knew	The last time
All the things you'd say	Sometimes, I wake up by the door
They (3) never true, never true	And (7) you calling, (8) be waiting for
And the games you'd play	you
You would always win, always win	Even now (9) we're already over
But I set fire to the rain	I can't help myself from looking for you
Watched it pour as I touched your face	I set fire to the rain
Let it burn while I cry	Watched it pour as I touched your face
'Cause I heard it screaming out your name	Let it burn while I cry
When laying with you	'Cause I (10) it screaming out your name
I could stay there, close my eyes	I set fire to the rain
Feel you here forever	And I threw us into the flames
You and me, together, nothing gets better	I felt something die
'Cause there's a side to you	'Cause I knew that that was the last time
That I never knew, never knew	The last time
All the things you'd say	Let it burn
They were never true, never true	Let it burn
