

Fill in the gaps

I let it fall, my heart	You would always win, always win	
And as it fell you rose to claim it	But I set (13) to the rain	
It was (1) and I was over	Watched it (14) as I touched your face	
Until you kissed my lips and you saved me	Let it burn (15) I cry	
My hands, they were strong	'Cause I (16) it screaming out your name	
But my knees were far too weak	I set fire to the rain	
To (2) in (3) arms	And I (17) us into the flames	
Without falling to your feet	I (18) die	
But there's a side to you	'Cause I knew that that was the last time	
That I never knew, never knew	The last time	
All the things you'd say	Sometimes, I wake up by the door	
They were never true, (4) true	And heard you calling, must be waiting for you	
And the games you'd play	Even now (20) we're already over	
You would (5) win, always win	I can't (21) myself from (22) f	fo
But I set fire to the rain	you	
Watched it pour as I touched (6) face	I set fire to the rain	
Let it burn (7) I cry	Watched it (23) as I touched your face	
'Cause I heard it (8) out your name	Let it burn while I cry	
When (9) with you	'Cause I (24) it (25) o	u
I (10) stay there, close my eyes	your name	
Feel you here forever	I set fire to the rain	
You and me, together, nothing gets better	And I threw us into the flames	
'Cause there's a side to you	I (26) something die	
That I never knew, never knew	'Cause I knew (27) that was the last time	
All the (11) you'd say	The (28) time	
They were never true, (12) true	Let it burn	
And the games you'd play	Let it burn
