

## Fill in the gaps

l let it fall, my heart	You would always win, always win
And as it fell you rose to claim it	But I set fire to the rain
It was dark and I was over	Watched it pour as I touched your face
Until you (1) my (2) and you saved	Let it burn while I cry
me	'Cause I heard it screaming out your name
My hands, they were strong	I set fire to the rain
But my knees were far too weak	And I threw us into the flames
To stand in your arms	I felt something die
Without falling to your feet	'Cause I knew that that was the last time
But there's a side to you	The last time
That I never knew, (3) knew	Sometimes, I wake up by the door
All the things you'd say	And heard you calling, must be waiting for you
They were never true, never true	Even now when we're (8) over
And the games you'd play	I can't help myself from looking for you
You (4) always win, always win	I set fire to the rain
But I set fire to the rain	Watched it pour as I touched your face
Watched it pour as I touched your face	Let it (9) (10) I cry
Let it (5) while I cry	'Cause I heard it screaming out your name
'Cause I heard it screaming out your name	I set fire to the rain
When laying with you	And I threw us into the flames
I could stay there, close my eyes	I felt something die
Feel you (6) forever	'Cause I knew that that was the last time
You and me, together, nothing gets better	The last time
'Cause there's a side to you	Let it burn
That I (7) knew, never knew	Let it burn
All the things you'd say	
They were never true, never true	
And the games you'd play
