

## Fill in the gaps

I don't know what she said by Blaine Larsen

<em>No hablo español</em>

Was all I knew of the local lingo

That old pocket guide to Mexico

Wasn't much help to this out of place gringo

When I checked into my motel room

Was helped by a brown-eyed <em>señorita</em>

She said: <em>Bienvenido señor,</em>

Blah, blah, blah, blah, blah

<em>¿Cómo estás? Buenos días.</em>

</em>I don't know what she said

But I sure liked the way that she said it

A little voice in my head said

Boy, you won't ever forget it

They say that Spanish is the (1)\_\_\_\_\_ of love

Well, I love the way that it rolled off her tongue

I don't know what she said

But I sure liked the way that she said it

As I followed her down the hallway

I was trying my best not to stare

The angel before me was a rare beauty indeed

J. Lo had nothing on her

She winked and she smiled at me sweetly

Said: <em>Señor, aquí está su llave</em>

<em>Muy guapo</em> and something about

<em>ojos</em>

And I thought, oh, baby, whatever you say

I don't know (2)\_\_\_\_\_ she said

But I sure liked the way that she said it

A little voice in my head said

Boy, you won't ever forget it

They say that Spanish is the language of love

Well, I (3)\_\_\_\_\_ the way that it rolled off her tongue

I don't know what she said

But I sure liked the way (4)\_\_\_\_\_ she said it

Later that evening in a local <em>cantina</em>

A mariachi (5)\_\_\_\_\_ was playing

She held me close so her body would know

That my (6)\_\_\_\_\_ knew what she was saying

I don't know what she said

But I sure liked the way that she said it

A little voice in my head said

Boy, you won't ever forget it

They say that Spanish is the language of love

Well, I love the way that it rolled off her tongue

I don't know what she said

But I sure (7)\_\_\_\_\_ the way that she said it

No, I don't know (8)\_\_\_\_\_ she said

But I (9)\_\_\_\_\_ liked the way that she said it

## Fill in the gaps

Answer

1. language
2. what
3. love
4. that
5. band
6. body
7. liked
8. what
9. sure
