

## Fill in the gaps

I don't know what she said by Blaine Larsen

<em>No (1)\_\_\_\_\_ español</em>

Was all I knew of the local lingo

That old pocket guide to Mexico

Wasn't much help to this out of place gringo

(2)\_\_\_\_\_ I checked into my motel room

Was helped by a brown-eyed <em>señorita</em>

She said: <em>Bienvenido señor,</em>

Blah, blah, blah, blah, blah

<em>¿Cómo estás? Buenos días.</em>

</em>I don't know what she said

But I sure liked the way that she said it

A little voice in my head said

Boy, you won't ever forget it

They say that Spanish is the language of love

Well, I love the way that it rolled off her tongue

I don't know what she said

But I sure liked the way that she said it

As I followed her down the hallway

I was trying my best not to stare

The angel before me was a rare beauty indeed

J. Lo had nothing on her

She winked and she smiled at me sweetly

Said: <em>Señor, aquí está su llave</em>

<em>Muy guapo</em> and something (3)\_\_\_\_\_

<em>ojos</em>

And I thought, oh, baby, whatever you say

I don't know what she said

But I sure liked the way that she said it

A little voice in my head said

Boy, you won't ever forget it

They say that Spanish is the language of love

Well, I love the way that it rolled off her tongue

I don't know what she said

But I sure liked the way that she said it

Later that evening in a local <em>cantina</em>

A (4)\_\_\_\_\_ band was playing

She held me close so her body would know

That my body knew what she was saying

I don't know what she said

But I sure liked the way (5)\_\_\_\_\_ she (6)\_\_\_\_\_ it

A little voice in my head said

Boy, you won't (7)\_\_\_\_\_ forget it

They say that Spanish is the language of love

Well, I love the way that it rolled off her tongue

I don't know what she said

But I sure liked the way (8)\_\_\_\_\_ she (9)\_\_\_\_\_ it

No, I don't know what she said

But I sure liked the way that she said it

## Fill in the gaps

Answer

1. hablo
2. When
3. about
4. mariachi
5. that
6. said
7. ever
8. that
9. said
