## Holding out for a hero (I need a hero) by Bonnie Tyler

Where have all the good men gone	And he's gotta be fresh from the fight.
And where are all the gods?	I need a hero
Where's the streetwise (1)	I'm holding out for a hero (7) the morning light.
To (2) the rising odds?	He's gotta be (8) and it's gotta be soon
Isn't there a white knight (3) a fiery steed?	And he's gotta be larger than life
Late at night I toss and I turn	I need a hero
And I (4) of what I need	I'm holding out for a hero till the end of the night
I need a hero	Up where the mountains meet the heavens above
I'm holding out for a hero till the end of the night	Out where the lightning splits the sea
He's gotta be strong and he's gotta be fast	I could swear there is someone somewhere watching me
And he's gotta be fresh from the fight	Through the wind and the chill and the rain
I need a hero	And the (9) and the flood
I'm holding out for a hero till the morning light	I can feel his approach like a fire in my blood
He's gotta be sure and it's gotta be soon	I need a hero
And he's (5) be larger than life	I'm holding out for a hero till the end of the night
-Larger than life-	He's gotta be strong and he's gotta be fast
Somewhere after midnight	And he's gotta be fresh from the fight
In my wildest fantasy	I need a hero
Somewhere just beyond my reach	I'm holding out for a hero (10) the morning light
There's someone reaching back for me	He's gotta be sure and it's gotta be soon
Racing on the thunder and rising with the heat	And he's gotta be larger than life
It's gonna take a Superman	I need a hero
To (6) me off my feet	I'm holding out for a hero till the end of the night
I need a hero	
I'm holding out for a hero till the end of the night
