## SUB inglés

Out of our minds

## Fill in the gaps

## WeA'll be coming back by Calvin Harris

We (1) it all apart	Someone had to draw the line
But I'm wishing I'd stayed	We'll be coming back for you one day
In the back room (2) I heard you sa	y We'll be coming back for you one day
We didn't want to call it too early	I don't even (6) if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we ever gonna (3) the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be (7) back for you one day
Out of our minds	Gonna rise, (8) fool
Someone had to draw the line	Getting pulled apart
We'll be coming back for you one day	And we all do it all because it stole our hearts
We'll be coming back for you one day	Gonna light up the skies, so ignore the stars
I don't even care if I know you	And we all do it all because it (9) our hearts
Out of our minds	Standing in the light till it's over
Had to leave it all behind	Out of our minds
We'll be coming back	(10) had to draw the line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it from afar	We'll be coming back for you one day
We were riding that wave	I don't even care if I know you
Blinded by the lights, and it's something not great	Out of our minds
We didn't want to call it too early	Had to leave it all behind
Now it seems a world away	We'll be coming back for you one day
But I (4) the thing	We'll be coming back for you one day
Are we ever gonna feel the same?	
Standing in the light (5) it's over
