

## Fill in the gaps

Stuck in the shade of your ego again			I'm giving it up, I don't want to see	
Think you got me tamed			Another (7) apology	
But it's still pretend			I'm letting it out now, darling	
You think I'm under control but I have my doubts			It's not me that you think you need	
Stuck on repeat like a broken cassette			It's not me because we have grown apart	
(1)	(2)	smoking	Let me go because I need release	
(3) cigarettes			I won't be screwed in your paper heart	
I'm burning on bruised			Paper heart, paper, (8)	heart paper
And I'm going out			And all of the dirt and the stormy weather	
I'm shrugging it off			Says we don't fit together	
All the s*it that you do			I'm drawing the line now darling	
Because I'm bored to death with you			It's not me that you think you need	
I'm cutting the chord now darling			It's not me because we have grown apart	
It's not me that you think you need			Let me go because I need to breath	
It's not me because we have grown apart			I won't be screwed in your paper heart	
Let me go because I need to breath			It's not me that you think you need	
I won't be screwed in your paper heart			It's not me because we have (9) apart	
I won't do what I'm told			Let me go because I need to breath	
You won't say what you mean			I won't be (10) i	n your paper heart
You were so hurt and cold	t			
And lost me in-between				
You love (4) (5) hate and (6)				
petty games
