## T wish I could tell you by ChIöe Howl

## Fill in the gaps

I don't ever wear that (1)\_ It's just collecting dust I see the (2)\_\_\_ \_\_\_ that we shared It's just begun to rust I should've let you (3)\_\_\_\_ but she was so \_\_\_\_ better But if I let you know would that make you forget her? I wish I could tell you but I just run and hide I wish I could tell you but it's a thorn in my side If I could find the words to say Maybe this pain would go away If I could find the words to say \_\_\_\_\_ move on, we could move on now It gets a little hard to sleep knowing you (6)\_ This other guy's good for me but you won't disappear I lost my breath and stumbled over the idea of you But it never caught up with the reality of what you do I wish I could tell you but I just run and hide I wish I (7)\_\_\_\_\_ tell you but it's a thorn in my side If I could find the words to say Maybe this pain would go away If I could find the (8)\_\_\_\_\_ We could move on, we could move on now

You're playing (9)\_\_\_\_ my mind

I'm sick of hearing you pretending you care But never going to apologize I know you're lying through your teeth But you're swearing on your life And there's no language that I know To make you understand I'm letting you go I wish I could tell you but I just run and hide I wish I could tell you but it's a thorn in my side If I could find the words to say Maybe (10)\_\_\_\_\_ pain would go away If I could find the words to say We could move on, we could move on now Move on, move on now I wish I could tell you Move on, move on now I wish I could tell you Move on, move on I wish I could tell you but I just move on Move on
