

She told them: good riddance

## Fill in the gaps

When she turned (1)	she went astray	Her sister got with him
With her brother's dealer, so they say		She wishes she didn't
She had a baby yesterday		And now they're all singing
Perhaps it's just a rumour		I'm just trying to work out
They kept her prisoner growing up		How to be like myself
Told her (2) was enough		I'm just (8) to work out
She's really into dirty stuff		These cards I've been dealt
Perhaps it's just a rumour		I'm just trying to work out
And if you asked her she'd say:		How to be like myself
I'm just (3) to work out		I'm (9) trying to work out
How to be like myself		These cards I've been dealt
I'm just trying to work out		Because she did it, she did it
These cards I've been dealt		My bed is forbidden
See that girl she's looking great		He's fitting she isn't
She used to be quite over weight		She keeps her face hidden
She may not be entirely straight		She told (10) good riddance
Perhaps is just a rumour		Her sister got with him
Always did as she was told		She wishes she didn't
Apparently she's on the dole		And now they're all singing
Spends it all on alcohol		I'm just trying to work out
Perhaps it's just a rumour		How to be like myself
I'm (4) trying to (5)	out	I'm just trying to work out
How to be like myself		These cards I've been dealt
I'm (6) trying to (7)	out	I'm just trying to work out
These cards I've been dealt		How to be like myself
Because she did it, she did it		I'm just trying to work out
My bed is forbidden		These cards I've been dealt
He's fitting she isn't		
She keeps her face hidden
