

The world is listening to what we say?

Fill in the gaps

Sing by Gary Barlow & The Commonwealth Band

Some (1) they can't be (2)	_ only	(5) it louder, sing it clearer
sung		Knowing everyone will hear you
So hear a thousand voices shouting love		(6) some noise, find your voice tonight
There's a place, there's a time		(7) it stronger, sing together
In this life when you sing what you are feeling		Make this moment last forever
Find your feet, stand your ground		Old and (8) shouting love tonight
Don't you see right now		Some words they can't be (9) only sun
The world is listening to what we say?		To hear a thousand voices shouting love
Sing it louder, sing it clearer		And light and hope
Knowing everyone will hear you		Just sing, just sing
Make some noise, find your (3) tonight		Just sing, just sing
Sing it stronger, sing together		Come all and sing it louder, sing it clearer
Make this moment last forever		Knowing everyone will hear you
Old and young shouting (4) tonight		Make some noise, find your voice tonight
To sing we've had a lifetime to wait		Sing it stronger, sing together
And see a thousand faces celebrate		Make this moment last forever
You brought hope, you brought light		Old and young shouting love tonight
Conquered fear, no it wasn't always easy		Hear a thousand voices shouting love
Stood your ground, kept your faith		
Don't you see right now
