

## Fill in the gaps

in

Melt Antarctica, saving Africa	I got (7) though I'm
I failed algebra and I miss you sometimes	(8) late
We're at war again	But you're the best I ever had
Save the (1) again	And I'm trying not to get (9) in my head
You can all join in	But I (10) I dropped my wallet in Santa Fe
But you can't smoke inside	(11) the only picture I had of you that day
You (2) "take me home, I can't stand this place	And you're the best I ever had
Because there's too many hipsters	I won't be the same
And I just can't relate"	Hey West Virginia, Hey North Dakota
You're my neon gypsy, my (3) rain	I think I (12) you but don't even know you
You're my helter skelter	Hey Massachusetts, Hey Minnesota
Oh how can I explain	I think I love you but don't even know you
That you're the best I ever had	Hey Carolina, Hey Oklahoma
And I'm trying not to get stuck in my head	I think I love you but don't (13) know you
But I read that soda kills you and Jesus saves	Hey Alabama, Hey California
On a (4) wall where I saw your name	I think I love you but don't even (14) you
You're the best I ever had	You're the best I ever had
I won't be the same	And I'm (15) not to get (16)
Night sky full of drones	my head
This neighborhood of clones	But I passed a lonely (17) on the interstate
I'm looking at the crowd and	Saying "find someone before it gets too late"
They're staring at their phones	You're the best I (18) had
They groom the (5) here	I won't be the same
It's starting to disappear -Oh my God-	Hey West Virginia, Hey North Dakota
And maybe once a year	I think I love you but don't even know you
I think to clean my car	Hey Massachusetts, Hey Minnesota
I caught my reflection, I dropped the call	I think I love you but don't even know you
I've been medicating (6) cigarettes and alcohol	Yeah, I won't be the same
I got vertigo, no I can't see straight
