

## Fill in the gaps

\_ health

It's way too late to be	Now (17) (18) health
(1) locked inside ourselves	Two lovers walk on lakeside mile
The (2) is that you're in love (3)	(19) pleasing with stealth, rodeo
someone else	See what (20) long or (21)
It should be me, it should be me	fast
(4) parts, (5) get aways	Oh, how I (22) you
You (6) along on summer days	And in the evening, (23) we are sleeping
Tenderly, tastefully	We are sleeping, oh, we are sleeping
And so may, we (7) time	And so may, we make time
Try to find (8) else	We try to find somebody else
(9) place is mine	Who has a line
And everyday, you (10) exactly how I feel	Now (24) with health
I had my (11) girl	Two lovers (25) on lakeside mile
I'm in love (13) real	Try (26) with stealth, rodeo
It could be me, that's changing	See (27) stands long or ending fast
And so may, we make time	
Try to (15) else	
Who has a line
