

Fill in the gaps

Some things crept in (1) our door	But ive been (15) and
(2) soaking (3) the floor	I've been down so many times
Pinching like a (4) in my shoe	We (16) in circles the blind leading the blind
Some chemical that's breaking down the glue	I see the landscape change before my eyes
That's been biding me to you	The features I've (17) navigating by
Oh, I feel (5) I just don't (6) you	No, nothing looks the way it did before
anymore	I don't know (18) to look or (19) to
But I've been (7) and	(20) for
I've been (8) so many times	I feel (21) I just don't know you anymore
We walk in circles the blind (9) the blind	But I've been (22) and
(10) I thought that love watched over this house	I've been down so (23) times
But you're boarding up the windows now	We walk in circles, the blind (24) the blind
We've been (11) on each other so hard	We've been disconnected somehow
Tied so tight we wound up miles apart	There's an invisible wall (25) us now
(12) simple things so hard	But I've been wrong and
Oh, I feel (13) I just don't know you anymore	I've been down so many times
But I've been burned and	We (26) in (27) the blind
I've been down so many times	leading the blind
We walk in circles the blind leading the blind	We've been disconnected somehow
We've been disconnected somehow	There's an invisible wall between us now
There's an (14) wall between us now
