Fill in the gaps

Walk through walls by Kyla La Grange

Did you run through doors	Oh, take this, don't (6) without seeing me
Till you hit the floor?	Oh, stay here, don't touch without feeling me
Did you read my eyes and my aching thoughts?	And you're two (7) away from my arms
Did you (1) through walls	But my head is weighed down by the spark
Till you had to crawl?	And it's too much to take when you turn
Oh my God your smile	When I still haven't seen what I've learned
And my soundless calls	Get up, get up
Get up, get up	My heart is heavy
My heart is heavy	Sit up, sit up, enough already
Sit up, sit up, enough already	Oh, take this, don't look without (8) m
Oh, take this, don't (2) without seeing me	Oh, stay here, don't touch without feeling me
Oh, stay here, don't (3) without feeling me	Get up, get up
Don't you see?	My heart is heavy
Did the light leave holes?	Do you want to go?
Where the ceiling rolled	Sit up, sit up, sit up, (9) already
Did you lay your head as it all took hold?	Did the light leave holes?
Did you spin so (4) I didn't see you go?	Oh, (10) this, don't look without seeing me
Oh, I (5) I had, I wish I'd known	Did you lay your head?
Get up, get up	Oh, stay here, don't touch without feeling me
My heart is heavy	Don't you see?
Sit up, sit up, sit up
