

Fill in the gaps

Bitten by the wind on a hard hard day	Hide
And God I really (1) you to stay	I wan
Bitten by tears and a burning fear	Feed
That has smeared us both on the table	And I
There are too many people in this street	Pleas
There are too many eyes to meet	Like a
So I hold you wrist and I feel you listless	I am o
Shaking on the edge of your seat	I am
Hide me safe away	Your
I wanna see myself painted an invisible grey	With (
Feed me to the years	We w
And I would make myself harmless as a (2) on	We w
tear	Hide ı
And please don't hold me in your soul	I wan
Like a heavy stone	Feed
I am carrying my cold heart home	And I
Trapped by a breath and hit my head	And p
Like a thousand bricks from the sky	Like a
And I saw you choke as the last bridge broke	(bis)
And our fingers waved goodbye	I am o
And there are too many towns stumbling by	I am o
And there are too many hands to untie	
So leave it there by the (3) chairs	
In the (4) swallows our lies	

Hide me safe away
I wanna see myself painted an invisible grey
Feed me to the years
And Iwould make myself harmless as a drawn on tear
Please don't hold me in your soul
Like a heavy stone
I am carrying my cold heart home
I am (5) my cold heart home.
Your face has followed me home
With unwanted grace I (6) you lonely and
We would never (7) a perfect piece to fit
We will remain unfinished puzzles as we say:
Hide me safe away
I wanna see myself (8) an invisible grey
Feed me to the years
And Iwould make myself harmless as a drawn on tear
And please don't hold me in your soul
Like a (9) stone
(bis)
I am carrying my cold (10) home
I am carrying my cold heart home
