

Fill in the gaps

Bitten by the wind on a hard hard day	Hide me safe away
And God I really want you to stay	I wanna see myself painted an invisible grey
Bitten by tears and a burning fear	Feed me to the years
That has smeared us both on the table	And Iwould make (6) harmless as a drawn on
There are too many people in this street	tear
There are too many eyes to meet	Please don't hold me in your soul
So I hold you wrist and I (1) you listless	Like a heavy stone
Shaking on the edge of your seat	I am carrying my cold heart home
Hide me safe away	I am carrying my cold heart home.
I wanna see myself painted an invisible grey	Your face has followed me home
Feed me to the years	With unwanted grace I leave you lonely and
And I would (2) myself harmless as a drawn on	We (7) never make a perfect piece to fit
tear	We will remain unfinished puzzles as we say:
And please don't (3) me in your soul	Hide me safe away
Like a heavy stone	I wanna see myself (8) an invisible grey
I am carrying my cold heart home	(9) me to the years
Trapped by a breath and hit my head	And Iwould make myself harmless as a drawn on tear
Like a thousand bricks from the sky	And please don't hold me in your soul
And I saw you choke as the last bridge broke	Like a heavy stone
And our fingers waved goodbye	(bis)
And there are too many towns stumbling by	I am carrying my cold heart home
And (4) are too (5) hands to untie	I am carrying my cold (10) home
So leave it there by the tincan chairs	
In the pavement swallows our lies
