

## Fill in the gaps

Tell me none of your longings
I don't need them or you
And leave me none of your wisdom
I don't need (1) (2) or your truths
I've been better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
Feed me none of your lines
I won't fall for them, because I'll lose
And hold me to none of my words
I don't mean them when I'm with you
And the cars streak past with a life inside
Why is my life in your eyes?
And the windows glow
With the hearts they've known
Why is my heart never mine?
I've been better when the sky was red
And a face (3) (4) couldn't make me
scared

I've been better with the things I said
(5) I took the lead instead of being lead
I've (6) better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
I've been better when the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
I've been (7) (8) the sky was red
And a face like yours couldn't make me scared
I've been better with the things I said
When I took the lead instead of being lead
I've been better, I've been better
l've (9) better, l've been (10) oh
