

Fill in the gaps

Tell me none of (1) longings					
I don't need them or you					
And leave me none of your wisdom					
I don't need your lies or your truths					
I've been better when the sky was red					
And a face like yours couldn't make me scared					
I've been better with the things I said					
When I took the lead instead of being lead					
Feed me none of your lines					
I won't fall for them, because I'll lose					
And hold me to none of my words					
I don't mean them when I'm with you					
And the cars streak past with a life inside					
Why is my life in your eyes?					
And the windows glow					
With the hearts they've known					
Why is my heart never mine?					
I've been better when the sky was red					
And a face like yours couldn't make me scared					

I've been (2)	(;	3)	the things I	said	
(4) I took the lead instead of being lead					
I've been better when the sky was red					
And a face like yours couldn't make me scared					
I've been better with the things I said					
When I took the	lead	(5)		of

I've (7) bette	r when	the sky was	red
